Sint Maarten

The Island of St Maarten is one of the Windward Islands in the Caribbean Sea near to the Island of Anguilla, St Barths, Saba, Statia, Nevis and St Kitts and many others, all very easy to connect to by sea or by air. St Maarten itself holds one of the most modern international airports of the Caribbean with many daily flight to and from the renowned airport in North America, South America and Europe.

The island consists of a Dutch and a French part and is blessed with 37 of the most beautiful and breathtaking beaches in the Caribbean. The nightlife is amazing with many cozy beach bars, class restaurants, nightclubs, casinos and other entertainment. With year round temperatures between 80 and 90 degrees it is no wonder nobody ever talks about the weather, with always a nice sea breeze to go around, perfect for outdoor sports like (kite) surfing, sea diving, deep sea fishing, sailing and many more activities.
